even testify. It would promote judicial economy for the parties to have clarity on these issues ahead of trial. Because the remainder of pre-trial conference would involve pre-marking and pre-admitting exhibits, it would also promote judicial economy for that to be conducted at the same time. If the Court prefers to have the pre-marking and pre-admitting of exhibits in-person on February 22, 2022, Defendants still believe it would be most efficient to have a separate, earlier motions hearing via video on their motions, ECF Nos. 169 and 171, during the week of February 7, 2022.
